* An annual fee calculated for a full-time study load is the fee rate per unit for a program multiplied by the usual number of units undertaken in an academic year. For most programs this is 16#. Units (#) represent the value of individual courses which contribute to the total unit requirement of an academic program (most courses are worth #2). The fee for less than a standard full-time study load in a year will be proportionately lower.

**Based on 24# per academic year

- International students may not undertake this program on campus at UQ on a full time basis and are therefore not eligible for an Australian student visa; the program may be studied from your home country / outside Australia.
